Welcome to Danish Disc Golf Experience 2024

More than just a tournament!

Each registrant plays one round every day (Friday-Sunday) on different courses, and furthermore there will be many different side events both before and during the tournament itself.

The tournament center "The Valley" is in Vorgod-Barde (Nørlundvej 2, 6920 Videbæk), and here it is possible to sleep in a tent or caravan in connection with the event.

All these things will be both for the participants and for others interested.

Our vision is to create a disc golf festival that brings people together in a cozy and festive setting around disc golf. An event that disc golfers in Denmark (and the rest of the world) will not want to miss.

We very much hope for your help in creating this atmosphere and that you will help shape the Danish Disc Golf Experience - both this year and in the future.

We have received support for the tournament from Latitude 64, Dynamic Discs, Westside Discs, Discmania and Kastaplast and they have each been allocated a course and Disc Golf Valley will be attached to the tournament center. We are grateful for this great support.

We are very much looking forward to seeing you and to showing you our courses and the good settings and opportunities in our disc golf Mekka here in Denmark.

Kind regards

Disc Golf VALLEY

The tournament center is The Valley. Here there is both the large tent as a gathering point for many activities, a campsite, driving range and other facilities.

Adress: Nørlundvej 2
6920 Videbæk

Camping in The Valley:

On arrival, you must contact the person in charge before pitching the tent or caravan. He can be found in the big tent or can be contacted on +45 26235764.

You can check in every day at 17-19 from Tuesday 13 August.

There must be a minimum of 3m between units due to fire safety - this is your responsibility. This may result in tents being moved if the distance requirement is not observed.

There are 40 measures for ordinary plugs on the tent site. This is the maximum for the security groups at the stadium, so help each other get power for phones, power banks etc. It may be a good idea to have an extension cable of 25m with you (note that they must be able to be outside).

Facilities

Toilets and showers take place in the Vorgod-Barde hall, which is close to the campsite.

There are good training opportunities in the area. The driving range is easy to walk to, and a short course "Skolebanen" with 8 holes is right next door - good for fun and practicing the short game.

Option to charge your phone if you don't have electricity at your tent.

Food in The Valley

It is possible to buy food in the big tent.

Breakfast is offered every day from Wednesday to Sunday kl 7.00-9.00.

It will be coffee, tea, bread and butter, jam and cheese for DKK 50.

You must order the night before by signing up on a list in the big tent. Pay DKK 50 per person on MobilePay/Vipps when ordering - there is a QR code. If you're not able to pay with MobilePay, you can make an agreement with TD Karsten Iversen to pay cash at the end.

Dinner is offered every day from Wednesday to Friday kl 17.30-18.30.

You must order the night before by signing up on a list in the big tent. Pay DKK 75 per person on MobilePay/Vipps when ordering - there is a QR code.

Note that on Friday the time will be 18.00-19.30 while the finalists for Discskills are found.

Gala dinner Saturday kl 18.00

Whole roasted suckling pig is served here with side dishes or a vegetarian menu. We have a few places left... so maybe you can make it if you haven't registered yet... contact Birger (+45 27 399 397).

Soda and beer can also be bought in the big tent. It will be open here from 7.00-9.00 in connection with breakfast and 17.00-22.00 and in addition when the Valley crew is present - they will be easy to recognize in neon green t-shirts.

Discskills

Friday night we will decide who has the best disc skills. A series of competitions that require good skills with a disc:

- "Far far away" – distance
- "Chains Ka-ching" – putting
- "Keep rolling" – rollers
- "TRC" – throw-run-catch

The divisions are Open, Amateur(rating <900) and Women.

The qualification

From Thursday morning until Friday at 17.00 you can try to qualify.

This is done by picking up a guide and a scorecard for the disciplines you want to participate in from the tournament center. Please note that at least 3 people must be present at the trial, and you only have one trial in each discipline. You note your result and hand it in at the tournament center.

Around 17:30 a list of those who have qualified for the semi-finals will be posted in the tournament center. Note that there is not much time between the announcement of the semi-finals and their completion, so be prepared.

The semi-finals – friday kl 18.00

In the organization of the semi-finals, we will consider that you may have qualified in several disciplines.

The top 5 (but only the top 3 in Chains Ka-ching) in each row will qualify for the finals

It will be possible to buy food and drink in The Valley.

The finals – friday kl 20.00

Then it must be decided who is the best. We hope that many will choose to come by and cheer and cheer and generally create a fantastic atmosphere and setting for Discskills.

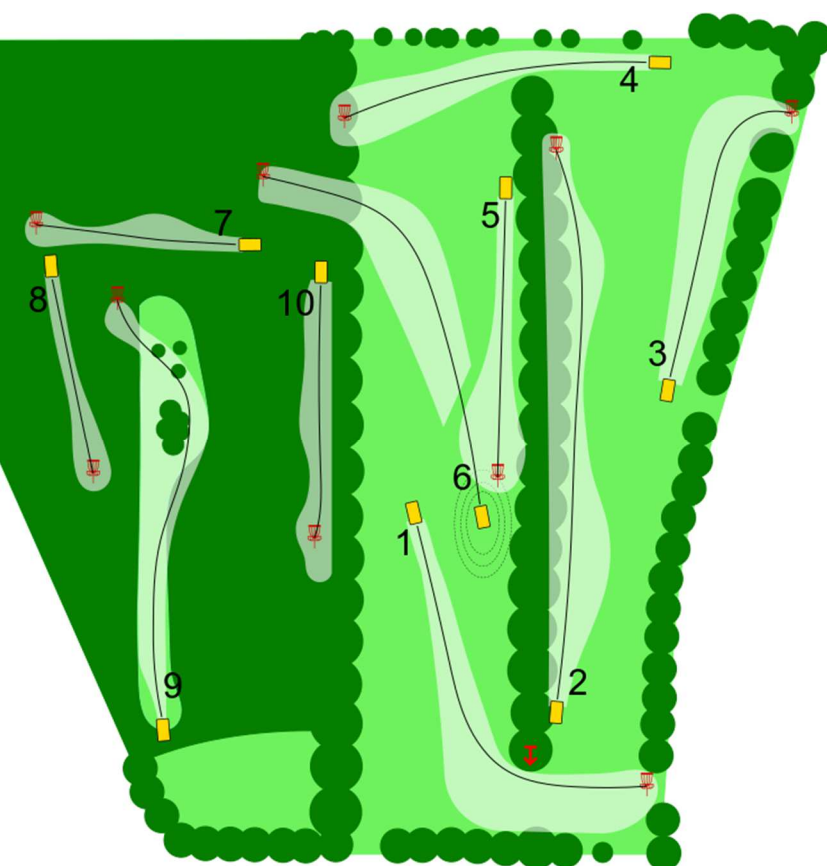

At least we are open at the bar in The Valley.

The courses in Vorgod-Barde

Leading up to the Danish Disc Golf Experience, we worked on the two small courses in Vorgod-Barde.

Skolebanen is designed for the school's students with shorter and technical gaps. However, hole 1 and hole 10 are absent during the Experience to make room for the large tent and campsite. But the other 8 holes can be used.

Den nye Vorgod-Barde course is longer and more challenging. Note that 4 out of the 10 holes on the course are par 4s. This course is intended more as a challenge for experienced players, where both length and greater precision are required.

We would encourage you to try them out.

We've made a layout with 18 holes - pick up the scorecard (paper) in the tournament center and play a round on the two courses.

When you have finished, you can hand in your scorecard and take part in the competition to see who can do best - the winner will be announced at the gala dinner on Saturday.

You are also welcome to give them a good and honest rating on Udisc - especially Skolebanen needs new reviews.
